

## What is about?

The project is aimed to address current low levels of financial literacy in disadvantaged communities. The **PIGGY BANK** consortium will ensure that parents, adult facilitators and community educators are fully supported through the provision of a suite of on-line platforms, bespoke training resources and networking aids essential to the successful achievement of their financial literacy objectives.

## What is already done?

On the **18<sup>th</sup> of February 2020** the **second transnational meeting** of the project was held in Santander (Spain). Attendees reviewed the current state of the Intellectual Outputs (IOs) of the project and agree on the next steps.

**The third meeting** didn't took place due to Covid-19 situation (but we are still working online).

From **1st to 3rd of March 2021**, it was carried a **3-day Learning Activity (C1)** that should have taken place in Cyprus, but it was finally organised online. The main aim of this activity was to share the Intellectual Outputs of the project with the adult educators attending (2 per entity), so they could later implement the training programme in their countries. The Comic Books (IO1), the Escape Rooms (IO2), the Piggy Bank Web-quests (IO3), the Induction Training Programme (IO4) and the In-Service Training Handbook (IO5) were presented and evaluated. The English version of all outputs are already available on the official project site: <https://piggybankproject.eu/>

Furthermore, the meeting was an opportunity to receive inputs for the testing of the Online Learning Platform (IO6) and feedback for improvement. At the end of the training, participants could also enjoy two workshops about Financial Literacy for Family Members.

## What is next?

Amusing materials to develop the financial literacy capacity of the family (parents, youth, teenagers and children) are ready in English, so now the partners will work to ensure that Croatian, Czech, Greek, Portuguese and Spanish versions are accessible on the Online Platform by April 2021.

### Help us to disseminate the Piggy Bank materials!!!

Share our project news with families, educators and other relevant stakeholders.
